BROW LAMINATION TRAINING COURSE

DAY 1: Theory and Practical/Written Assessments

FACE-TO-FACE AND ONLINE AND TRAINING OPTIONS

Brow Lamination is a new and innovative treatment to the beauty industry, which does not require any prior knowledge or experience to do the course. The treatment is completely non-invasive and easy to perform.

We have trained various clinics and interstate trainees.

Fibroblast Skin and Beauty trainers are qualified Brow Lamination specialists, international trainers and one of the first Australian studios to provide this treatment and to develop this course. Our 1-1 training is located in Newport, Melbourne.

ABOUT US

Fibroblast Skin and Beauty is a Beauty Studio and a Beauty Training Academy located in Melbourne, Australia. We provide in-studio beauty treatments and also provide face-to-face masterclasses, one-on-one courses and online training courses. Our online training is suitable for Australian and International students.

Both Fibroblast Skin and Beauty Academy trainers and therapists are qualified specialists with accredited certificates in our treatments.

We have a training and assessment certificate to plan, develop and deliver courses to supply our trainees with certification. Fibroblast Skin and Beauty Academy's aim is to deliver treatments and courses for new innovative procedures that are unique to the beauty industry.

1-1 PRIVATE TRAINING

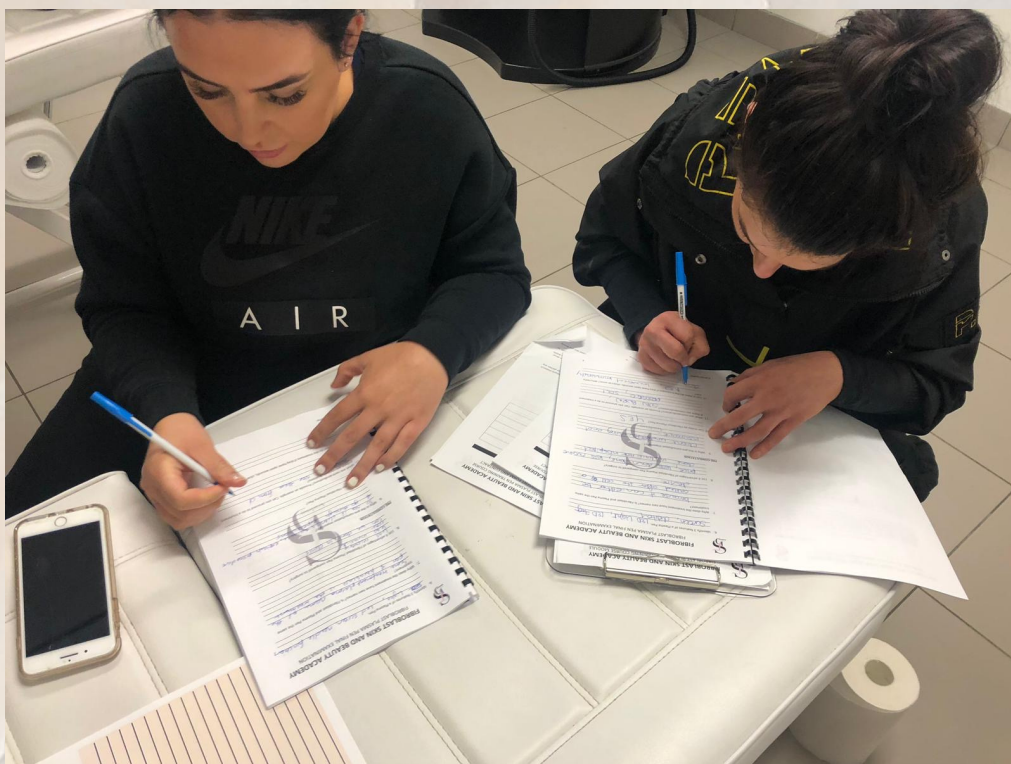

All our 1-1 trainings are completely private with only 1 student! This ensures our students get the best training and all questions are answered in a comfortable setting. We also have TWO trainers to assist you.

GROUP TRAINING / MASTERCLASSES

We offer small group trainings which are still in an intimate setting. These group trainings are completely private as they are conducted only with your colleagues and/or friends.

On the other hand, our masterclasses are larger scale training sessions. These masterclasses are ticketed with set dates and times. They are open to anyone.

ONLINE TRAINING

Our Online trainings are completely unlimited. This means students have lifetime access, even after course completion. There are no timers or time limits for the duration of the course. You can access the online modules anywhere and anytime!

Our Online trainings include numerous modules, images, videos, quizzes, physical assessments, scenarios, downloadable consultation forms, aftercare documents and written assessments.

Our Online trainings include exactly the same content as our 1-1 trainings do, this means that you do not miss out on anything!

OTHER TRAINING OPTIONS

IN-SALON TRAINING

Prefer training in your own salon?

We can come to you and conduct training at your workplace for yourself and/or your colleagues.

INTERSTATE TRAINING

We offer interstate training around Australia. Contact us today for more information.
